Lessee agrees that Lessor may use any police generated report as direct evidence without objection in any court action, including but not limited to eviction. Proof of the violation shall not require criminal conviction but shall require only a preponderance of the evidence. Lessee agrees to cooperate with law enforcement agencies by allowing Lessor to release any information held by Lessor regarding Lessee's and Lessee's occupants to any law enforcement agency upon request. Lessee understands that crime can and does occur in every segment of life as well as in every community and neighborhood, regardless of the location.

No Premises can or should be considered totally safe and free from crime regardless of the measures taken to the contrary. Hence, Lessor does not, and cannot, in any way warrant or guarantee Lessee, Lessee's occupants, guests, or invitee's safety or security at, on, near or off the Premises. Lessee understands that the safety of Lessee and Lessee's household is Lessee's responsibility and not the responsibility of the community, or Lessor.

20) RIGHT OF INSPECTION. Except in the case of an emergency where notice shall be impractical, or where the Lessee has abandoned the Premises, or has failed to properly maintain the Premises, all as provided by law, Lessor shall have the right at all reasonable times during the term of this Lease and any renewal thereof to enter the Premises and all buildings and improvements thereon for the purpose of inspection and showing the Premises for rent or sale, upon giving the Lessee at least forty eight (48) hours notice of the Lessor's intent to so inspect or show.

21) COMMON WALLS. For homes with one or more common walls, Lessee agrees to allow no loud music or other noise that can be heard outside Lessee's unit.

22) OCCUPANCY. Guests remaining more than fifteen (15) days shall be considered unauthorized occupants unless prior written consent is given by Lessor. Lessor may, but is not obligated to, remove any unauthorized occupant as a trespasser, or, at the Lessor's election may require said unauthorized occupant to sign and agree to the Lease. Should unauthorized occupant refuse to be bound by the Lease, or refuses to leave on Lessor's demand, Lessee agrees to pay, as

additional Rent, \$10.00 (TEN DOLLARS) for each day the unauthorized occupant remains on the Premises.

23) ASSIGNMENT AND SUBLETTING. Lessee shall not assign this Lease, or sublet or grant any concession or license to use the Premises or any part thereof without the prior written consent of Lessor. Consent of Lessor on one assignment, subletting, concession, or license shall not be deemed to be consent to any subsequent assignment, subletting, concession, or license. An assignment, subletting, concession or license without the prior written consent of Lessor shall be void and shall, at Lessor's option, terminate this Lease.

24) JOINT OBLIGATION. All Lessees shall be jointly and severally responsible for payment of Rent and for performance of all covenants to be kept by Lessee hereunder. Without limiting the obligations imposed by the foregoing, where more than one person is Lessee, rent and other obligations shall be paid in total by a single instrument.

25) SUBORDINATION OF LEASE. This Lease and Lessee's leasehold interest hereunder are and shall be subject, subordinate, and inferior to, any liens or encumbrances now or hereafter placed on the Premises by Lessor, all advances made under any such liens or encumbrances, the interest payable on any such liens or encumbrances, and any and all renewals or extensions of such liens or encumbrances.

26) DEFAULT. The failure of either Lessee or Lessor to fully perform per the terms of this Lease in any manner shall entitle either party to take all actions provided by law against the defaulting party. Neither party shall waive any existing or future rights to remedy by taking such action. All costs, attorney's fees, and other expenses of enforcing this Lease shall be paid by the losing party. If any default is made in the payment of Rent, or any part thereof as defined herein, or if any default is made in the performance of or compliance with any other term or condition hereof, this Lease, at the option of Lessor, shall terminate and be forfeited, and Lessor may re-enter the Premises and remove all persons there from. Lessee shall be given written notice of any default or breach. If Lessee has corrected the default or breach within 5 days of receipt of such notice, or has taken action to affect such correction within a reasonable time, termination and forfeiture of the Lease shall not result. Lessee shall pay all reasonable attorneys' fees necessary to enforce Lessor's rights. In the event Lessee defaults for any reason Lessor reserves the right to assess a \$200.00 fee.

27) MOLD DISCLOSURE. Lessee has inspected the Premises for evidence of mold. By signing this Lease, Lessee accepts the Premises As-Is and acknowledges the absence of mold. Lessee agrees to take all actions necessary to prevent the growth of mold. If there are problems with mold after Lessee takes occupancy & possession of the Premises, Lessee will resolve the problems at Lessee's expense and hold Lessor harmless.

28) RADON GAS DISCLOSURE. As required by law, Lessor makes the following disclosure: "Radon Gas" is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time.

29) LEAD PAINT DISCLOSURE. Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems and impaired

memory. Lead poisoning also poses a particular risk to pregnant women. The Seller of any interest in residential real estate is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspection in the Seller's possession and notify the Buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase. Go to www.estespropertiesonline.com for current copy.

30) EARLY TERMINATION OR ABANDONMENT. Lessee's personal absence from the Premises for seven (7) consecutive days while any Rent is unpaid shall be deemed intentional abandonment of said Premises unless written notice to the contrary has been given to Lessor. In the event of the foregoing, Lessor is authorized by Lessee(s) to take possession of any personal property remaining on the Premises and hold it for the prescribed period in 33-1370E of the Arizona Residential Landlord and Tenant Act, after which Lessor may retrieve property and sell it to pay for storage, moving and damages. Lessor may re-enter the Premises by any means without being liable for any prosecution therefore, and without becoming liable to Lessee for damages or any payment of any kind whatever. Lessor, at his discretion may re-let the Premises, or any part thereof, for the whole or any part of the then unexpired term, and may receive and collect all Rent payable by virtue of such re-letting, and at Lessor's option, hold Lessee liable for any difference between the Rent that would have been payable under this Lease during the balance of the unexpired term, as if this Lease had continued in force, and the net Rent for such a period realized by Lessor by means of such reletting.

31) SURRENDER OF PREMISES. At least (30) thirty days prior to expiration of this Agreement, Lessee shall give Lessor written notice of Lessee's intention to vacate the Premises. At the expiration of the Lease term, Lessee shall quit and surrender the Premises in as good a state and condition as they were at the commencement of this Lease. In the event Lessee gives notice of intent to vacate the Premises, Lessee agrees to show the Premises to prospective Lessee's during the ensuing thirty (30) days. If Lessee breaks this lease for any reason prior to the expiration date, Lessee will be charged a minimum of all advertising costs to re-Rent, and will be responsible for the Rent until the Premises is occupied by a new Lessee. Lessee agrees that a lack of cooperation in showing the home in any way may result in Lessee being responsible for additional lost Rents. Lessee to pay the replacement cost of any dead, damaged, or missing plants and landscaping.

32) MONTH TO MONTH LEASE. Should Lessee remain in possession of the Premises with the consent of Lessor after the natural expiration of this Lease, a new month to month tenancy shall be created between Lessor and Lessee which shall be subject to all the terms and conditions hereof but shall be terminated on 30 days written notice served by either Lessor or Lessee on the other party delivered by certified mail. If a new month to month tenancy is created as a result of this contract, Lessee agrees that Rent will increase 5% immediately and again every 12 months until a new Lease is negotiated and signed by both parties.

33) HOLDOVER BY LESSEE. Lessee realizes that when the lease expires or when notice has been received by Lessor of Lessee's intent to vacate on a given date, Lessee's failure to vacate on the date given or required may cause Lessor significant legal and economic difficulty. Should Lessee remain in possession of the Premises without the consent of Lessor after the natural expiration of this Lease, Lessee agrees to pay Lessor \$50 per day in addition to regular Rents until Premises is vacant or a new Lease is negotiated and signed by both parties.

34) DISPLAY OF SIGNS AND SHOWING. During the last 30 days of this Lease, Lessor may display "For Sale" or "For Lease" signs on the Premises. Lessor may also show the Premises to

prospective tenants as mutually agreed between Lessor and Lessee or with 48 hour notice to Lessee.

35) BINDING EFFECT. Both parties consider this written consent and grant that this Agreement shall be binding upon the successors, their heirs, administrators, executors, and assigns of Lessee. In the event of any dispute by the parties arising out of this Agreement, both parties agree to waive their right to a trial by jury and to accept the decision of binding arbitration. The parties further agree that the prevailing party is entitled to reasonable attorney's fees and costs in addition to all other relief.

36) INDEMNITY. Lessee expressly agrees to indemnify and hold Lessor harmless from any and all damage or injury to person suffered by Lessee, household members, guests, Lessors or invitees. This indemnity shall extend to damage, injury, losses, claims, suits, judgments, or actions arising from the negligence of Lessee, household members, guests, Lessors, or invitees and anyone in Lessee's control or employ, or for damage or injury by reason of breakage, leakage, or obstruction of water pipes, soil pipes, or from any damage as a result of the above. Lessee agrees to hold Lessor harmless from any injury or damage to Lessee's personal property due to fire. Lessee is aware that the Owner's insurance does not cover any of the Lessee's personal Premises damaged for any reason and Lessee agrees to provide personal property insurance at Lessee's expense.

37) UNDERSTANDING. This written agreement constitutes the full understanding between Lessee and Lessor, and no verbal promises made outside this Lease are binding. Any changes to this Agreement must be in writing and signed by both parties. Should any provisions of this Agreement be determined to be unenforceable or illegal, the remaining terms shall remain in full force and effect.
